TIPS TO A SMOOTH OFFICER TRANSITION

One of your last and possibly most important responsibilities as an outgoing officer is to create a smooth and graceful transition between officers. Nothing is worse in a leadership role than having to re-invent the wheel, both the leader and the organization suffers. For this reason, your organization needs to have a leadership/ officer transition period.

Benefits of a good officer transition:
- The RSO and officers will not have to re-invent the wheel each year, instead it can build and the programs can continue to grow.
- Successful transitions will allow the RSO to grow and to continue without suffering from the “lame duck” period at the beginning of the school year.
- The transition will bring closure to those officers leaving and make the incoming officers feel more confident in their position.

Timing of Elections
Do not wait until the last meeting of the year or the last week of classes to elect the new officers. It is recommended that you elect next year’s officers by April 1st. This will allow a month of transition (the longer the transition period the better the transition). In addition, if your RSO is applying for ASG funding this will give them the opportunity to request funding for events that will be held early in the fall semester. Funding for events prior to Sept. 30 must be requested in the spring.

Re-register your RSO and Update your Officers online before summer break
RSO’s must renew their registration with the Office of Student Activities every year. Registration is open April 15-September 15. Outgoing officers must add new officers online in order to avoid new officers being locked out of the system. Here is a list of what needs to be done for renewal:
* Update officers online
* Submit the re-registration package to the Office of Student Activities, ARKU A665
* Complete online officer orientation
* If your constitution has changed or the date of the constitution listed in the RSO database is more than 3 years old, please email an update constitution to rso@uark.edu.

Plan a time to have a Transition Meeting
Do not just drop off a binder or leave notes and say “Good Luck.” Make sure that the outgoing and incoming officers have a meeting to discuss issues and to answer any questions. Here are some questions to ask during the transition:
Old Officers
- What did they struggle with?
- What worked/ what did not?
- How to improve significant programs?
