LEARNING OUTCOMES

Department: Office of Student Activities
Office/Program: Associated Student Government RSO Office of Financial Affairs
Contact: Kayla Loper, ASG Intern

Mission Statement: Office of Student Activities
With a students-first philosophy, the Office of Student Activities provides an environment for involvement, empowerment, and collaboration through student organizations, programmatic experiences, and shared governance. OSA maximizes the University of Arkansas experience by advocating for all students, promoting intercultural understanding, and developing citizens who are prepared to positively impact their communities.

Purpose: RSO Funding
To promote a diverse array of programs and events, facilitate intellectual engagement, encourage collaboration between student groups, and or foster campus community.
